2.0 Product Specifications:

Head Type	Trim Head (reduced-diameter countersunk head)
Drive	T15 6-Lobe
Point	Type 17 Point
Material	304 Stainless Steel or 316 Stainless Steel
Finish / Color	Plain / Unpainted
Thread Angle	60° ± 3°
Point Angle	20° to 28°

Notes:
Trim head deck screws carry a reduced-diameter head that sets just below the board surface, leaving a small footprint that is easy to cover with wood filler. The T15 6-lobe drive gives positive bit engagement to resist cam-out and stripped heads. The Type 17 point with serrated threads starts fast and reduces splitting.

3.0 Available SKUs & Packaging:

SKU	Size	Material	Pack Qty.	Wt./Pack (lb)
DST7SS4-158T	#7 x 1-5/8"	304 Stainless Steel	350	1.80
DST7SS4-158B	#7 x 1-5/8"	304 Stainless Steel	1,750	9.20
DST7SS6-158T	#7 x 1-5/8"	316 Stainless Steel	350	1.88
DST7SS6-158B	#7 x 1-5/8"	316 Stainless Steel	1,750	9.20
DST7SS4-214T	#7 x 2-1/4"	304 Stainless Steel	350	3.20
DST7SS4-214B	#7 x 2-1/4"	304 Stainless Steel	1,750	16.30
DST7SS6-214T	#7 x 2-1/4"	316 Stainless Steel	350	2.50
DST7SS6-214B	#7 x 2-1/4"	316 Stainless Steel	1,750	11.75
DST8SS4-212T	#8 x 2-1/2"	304 Stainless Steel	350	4.20
DST8SS4-212B	#8 x 2-1/2"	304 Stainless Steel	1,750	21.60
DST8SS6-212T	#8 x 2-1/2"	316 Stainless Steel	350	3.38
DST8SS6-212B	#8 x 2-1/2"	316 Stainless Steel	1,750	15.94
DST8SS4-300T	#8 x 3"	304 Stainless Steel	350	5.40
DST8SS4-300B	#8 x 3"	304 Stainless Steel	1,750	27.50
DST8SS6-300T	#8 x 3"	316 Stainless Steel	350	3.81
DST8SS6-300B	#8 x 3"	316 Stainless Steel	1,750	18.44

Notes:
Available in 304 Stainless Steel and 316 Stainless Steel, plain (unpainted) finish.

304 Stainless Steel: Corrosion resistant for general exterior decking. Helps prevent rust stains on deck boards.
316 Stainless Steel: Higher corrosion resistance for severe environments, including coastal and oceanside applications.
