

Steel Decking / Stitching

PROSDX150G2 Steel-Decking System

Applications: Steel deck fastening to structural steel members; narrow-valley nestable and interlocking steel decking; side-lap stitching

- Features a Precision Placement™ nosepiece for accurate driving
- One system for fastening steel decking to structural members and steel stitching
- Designed for both the Strong-Drive® XM Medium-Head Metal screw and the Strong-Drive Self-Drilling X Metal screw

Limited lifetime warranty on attachment and extension, 1-year limited warranty on screw-driver motors (see specific manufacturer's warranty for more information)

The PROSDX150G2 system includes:

- PROSDX150G2 steel-decking attachment
- Extension for stand-up driving
- DeWalt® screwdriver motor
- Screw quiver for keeping screws at your fingertips

PROSDX150G2 steel-decking attachment tool is also sold separately.
